

INVITATION TO TENDER

Morska Stocznia Remontowa "Gryfia" S.A. with its registered office in Szczecin announces a written invitation to tender for the sale of Set of units (Dock-pontoon PN - SSR –1, Dock-pontoon PN-SSR-3, Pontoon Lifter SSR-1)

I. STARTING PRICE

Set of units - USD **1 100,000** (in words USD: one million one hundred thousand 00/100) net + applicable VAT.

which consists of:

- *Dock-pontoon PN-SSR-1* - 300 000 USD net + applicable VAT
- *Dock-pontoon PN-SSR-3* – 380 000 USD net + applicable VAT
- *Pontoon Lifter SSR-1* – 420 000 USD net + applicable VAT

II. BID DEPOSIT

USD **55,000.00** (in words USD: fifty-five thousand 00/100)

In the case of a bid for the purchase of dock-pontoon PN-SSR-1 alone, the deposit is \$15,000 (in words USD: fifteen thousand 00/100).

In the case of a bid for the purchase of lift No. SSR-1 together with dock-pontoon PN-SSR-3, the deposit is \$40,000 (in words USD: forty-thousand 00/100).

The bid deposit must be paid in accordance with the terms and conditions specified in the "Tender Rules" to the account no. **PL 27 1240 3927 1787 0010 6695 7549**

SWIFT PKOPPLPW

The tender guarantee will be returned to bidders whose offer has not been selected within 7 days from the end of the tender, i.e. from 19.06.2023.

The detailed procedure for returning the bid deposit is regulated by the "Tender Rules" available on the website of the Morska Stocznia Remontowa "Gryfia" S.A.:
www.msrgryfia.pl/bip.

III. SUBJECT OF THE TENDER PROCEDURE

1. The subject matter of the procedure is the ownership right to the Sets of units (Dock-pontoon PN-SSR-1, Dock-pontoon PN-SSR-3, Pontoon Lifter SSR-1), hereinafter referred to as **“Subject of the Procedure”**

The tender includes all items (Set of units) indicated as the subject of the proceedings, forming the economy whole. The subject of the procedure is functionally related due to the fact that the structure of the Pontoon Lifter SSR-1 lift is designed to lift the pontoons with exactly the same parameters as the PN-SSR-3 and PN-SSR-1 docks.

However, it is also possible to bid only for the purchase of the PN-SSR-1 dock-pontoon, or for the purchase of the lift No. SSR-1 together with the PN-SSR-3 dock-pontoon.

Technical description:

Dock-pontoon PN-SSR-1 - a floating box pontoon with truss structure (openwork) towers made of steel profiles. It does not have its own drive, power supply and crane. It is designed to work with the Pontoon Lifter.

The basic parameters are:

- total length is 91,40 m
- external width 19,40 m
- internal width 17,00 m
- total height 9,30 m
- pontoon height 2,00 m
- load capacity 1460 tons

Built in 1966

Dock-pontoon PN-SSR-1 is registered with PRS under the number 650025 and had a Class Certificate issued by the Polish Register of Shipping No. 11402/SZC/19. The validity date of this certificate expired on Jul 25, 2020.

The subject of the proceedings was entered by the Director of the Maritime Office in Szczecin into the register of seagoing ships under the number 0341.

The expiry date of the Safety Card No. 171/KB/SZC/19 of the Maritime Office Szczecin has expired on 2020-07-25.

Dock-pontoon PN-SSR-3

The basic parameters are:

- total length is 91.40 m
- external width 19.40 m
- internal width 16.00 m
- total height 9.20 m
- pontoon height 2.60 m
- load capacity 1460 tons

Built in 1967

Dock-pontoon PN-SSR-3 is registered with PRS under the number 650019 and had a Class Certificate issued by the Polish Register of Shipping No. 40417/SZC/20. The certificate is valid until March 31, 2022.

The subject of the proceedings was entered by the Director of the Maritime Office in Szczecin into the register of seagoing ships under the number 0340.

The expiry date of the Safety Card No. 108/KB/SZC/21 of the Maritime Office Szczecin: 2022-03-31.

Pontoon Lifter SSR-1

The basic parameters are:

- total length is 74.00 m
- external width 27.00 m
- internal width 21.00 m
- height of the pontoon 11.00 m
- carrying capacity 1700 tons

Built in 1966

Pontoon Lifter SSR-1 hoist is registered with PRS under the number 650018 and had a Class Certificate issued by the Polish Register of Shipping No. 40295/SZC/20. The certificate is valid until 2025-04-29.

The subject of the proceedings was entered by the Director of the Maritime Office in Szczecin into the register of seagoing ships under the number 0343.

The validity period of the Safety Card No. 215/KB/SZC/20 of the Maritime Office Szczecin expired on 2020-07-25.

The Subject of the Procedure is not entered or declared to be entered into the Register of Monuments.

2. The Subject of the Procedure is located in Morska Stocznia Remontowa "GRYFIA" S.A., ul Brdowska 12, 71-700 Szczecin.
3. The owner of the Subject of the Procedure is Morska Stocznia Remontowa "Gryfia" S.A.

IV. DATE AND PLACE OF THE TENDER, SUBMISSION OF TENDERS

1. The tender will take place on **19.06.2023** at the registered office of Morska Stocznia Remontowa "Gryfia" S.A. in Szczecin, ul. Brdowska 12, 71-700 Szczecin, Poland.
2. The tender procedure and the qualification procedure of the tenderers, and the formal requirements concerning the tender are regulated by the "Tender Rules" available on the website of the Morska Stocznia Remontowa "Gryfia" S.A.: www.msrgryfia.pl/bip;
3. Tenders should be submitted in electronic form (by e-mail) to the following address: przetargi@msrgryfia.pl or in writing at the registered office of the Morska Stocznia Remontowa "Gryfia" S.A., i.e. Szczecin, ul. Brdowska 12, Poland, in the Management Board administrative office, room 212 in building G-118 (Wyspa Górnio-Okrętowa), **until 19.06.2023, until 11:00**. The opening of the tenders takes place on **19.06.2023 at 12:00** at the shipyard's registered office.
4. It is permissible to send the Tender via mail or courier companies and the submission date of the Tender is the day and time of its receipt at Morska Stocznia Remontowa "Gryfia" S.A.
5. One tenderer may submit only one Tender at the time of submission of tenders.
6. If several tenderers submit tenders with the same highest price, the tender, at the discretion of MSR S.A., may be continued in the form of an auction between the tenderers. The tenderers who have submitted equivalent tenders will be notified in writing on the date and place of the auction. In such a case, the bid deposit is returned after the auction has been settled.

V. CONDITIONS FOR THE PARTICIPATION IN THE TENDER

1. The tenderers who have submitted tenders and paid the bid deposit in accordance with the terms and conditions specified in the "Tender Rules" may join the tender.
2. The document confirming the payment of the bid deposit must be titled: „**WA**”.
3. The persons authorised to provide information are:
 - Leszek Gładysz, +48 518 275 407 concerning the procedure.
 - Waldemar Grzegorzczak, +48 660 777 165 concerning technical issues related to the Subject of the Procedure.

VI. RESERVATIONS

Morska Stocznia Remontowa "Gryfia" S.A. reserves the right to cancel the procedure or to annul it at any time without giving reasons. Detailed information on any reservations is included in the Tender Rules referred to in section **IV** of this invitation.
