ANNEX TO THE CERTIFICATE

CW-WELD-007/1

issued by the Product and Persons Certification Bureau of the Polish Ship Register S.A.

Granted to the organization:

Morska Stocznia Remontowa „Gryfia” S.A.

ul. Brdowska 12

71-700 Szczecin

1. Business classification:

33,15,Z; 25,11,Z ; 30,11,Z .

2. Type of products:

Manufacture and repair of ships and floating structures. Production of metal structures and their parts, including offshore.

3. Product standards / specifications:

EN ISO 9606-1, EN ISO 15614-1.

4. Groups of basic materials (according to CEN ISO/TR 15608):

1.1; 1.2; 1.3; 2.1; 2.2; 3.2; 8.1; 10.1; 22.4; 23.1; 34.

5. Welding methods used and related processes (according to PN-EN ISO 4063):

111; 121; 131; 136; 141; 111/136; 138/136; 141/136.

6. General provisions:

PRS S.A. The Product and People Certification Bureau made a preliminary assessment of the welding processes of the Organizations production facility in terms of quality requirements for welding metal materials and continuous supervision over it.

The requirements are supervised according to the PN-EN ISO 3834 standard for which the Organization must submit PRS S.A. declaration of no significant changes. The following changes must be communicated to PRS S.A. .:

- new equipment or a significant change in the scope of production equipment,
- change of the person responsible for welding supervision,
- introduction of new WPQR welding technologies.

This certificate does not replace certificates required in areas regulated by law.

7. Notes:

The PCW-01 / WELD welding processes evaluation program is available at www.prs.pl (Certification of Products and Persons tab).
